A Message from the Convention Chair

To all attendees, sponsors, guests, vendors, panelists, and staff: WELCOME! Once again I find myself in the position to be able to welcome you to Ponyville Ciderfest, this time for a weekend that is truly unique in many ways.

When we first started to tease the theme for our 5th year, we promised that "There has never been a My Little Pony con like this before", and I believe we have followed through on that promise far and beyond what I had ever hoped. With a Guest of Honor roster that celebrates the music from the show and a lineup of 36 fandom musicians here to bring the best of the music of the fandom in 2018, this monument that we have built won't be forgotten any time soon.

Bringing this concept to reality has been an amazing journey. Challenging at times, and infuriating at others. In the end however, the amazing staff of people that you can find in the back of this book came together to bring you this once-in-a-lifetime experience, and we can't thank you enough for believing in it with us. Please thank them all for me when you see them!

Our schedule this weekend is packed with things to do, see, and hear. Make sure to follow us on Twitter, or download our new apps so that you can plan out your time, as well as get notified of any changes - or surprises!

I'm confident that this will be the best Ciderfest ever, and I hope you'll agree. I'll be running around all weekend, but please don't hesitate to stop me to let me know any of your thoughts. Thank you, and one again, WELCOME TO PONYVILLE CIDERFEST 2018!
