# A Message from the Convention Chair

Well Ciderfest, we've made it to a 3rd year!

Welcome to those who are returning, and welcome to all those whom this is your first time attending! I'll say it early (and I'm sure I'll say it again) we wouldn't be here without all of you and your support to have a MLP convention here in Milwaukee, WI and for that I am truly grateful.

As in years past, we have some awesome programming, events, and guests for you to enjoy this year. Oh, and did I mention we have CIDER? We are back with our usual un-orthodoxed amount of Cider, in all shapes and sizes, (and now some Halloween themed!) for you to enjoy.

Don't forget as always, we have an amazing set of talented Guests, Community, Guests, Musicians and more so fill up your plate with panels and events galore! This wouldn't be a Ciderfest without Cider, and we have plenty of it! Make sure to stop by our Cider Lounge and our Cider Bar!

Let me be the first, to welcome you to Ponyville Ciderfest 2016! Now get out there and HAVE FUN!!

# Rules & Code of Conduct

These rules are not exhaustive and may be updated at any time. Updated rules can be found at Registration or on our website. If you have any questions about these rules, please ask any Ponyville Ciderfest staff member. Remember, we are here to have a safe and fun experience for all.

## Anti-Harassment Policy

Ponyville Ciderfest is dedicated to providing a harassment-free convention experience for everyone, regardless of gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, race, age, or religion. We do not tolerate harassment of convention participants in any form. Convention participants violating these rules may be sanctioned or expelled from the conference without a refund at the discretion of the convention organizers. You can view the full text of the policy and how to report violations on our website.

## General Rules

Please respect the convention staff, security, and hotel employees. We are here to make sure everyone is safe and has a good experience.

- No obscene or profane behavior in any public areas. This includes PDA or violence.
- No sleeping in public areas.
- No smoking of any kind in the hotel.
- Drinking is prohibited in the meeting space areas unless otherwise noted.
- No use of any illegal substance is permitted. This will result in police intervention.
- Do not damage or steal any convention or hotel property. You will be held financially responsible.
- Do not drop things from the balconies.
- Solicitation of any goods or services is not allowed unless you are a registered vendor.
- Pets are not allowed in the convention area, with the exception of properly identified service animals. If you have special needs and need a service animal, please consult with staff.
- All attendees are to wear their attendance badge visibly at all times.
- Ponyville Ciderfest staff members reserve the right to ask any and all attendees for picture ID verification. Failure to provide ID verification will result in revocation of the attendee's badge.
- Ponyville Ciderfest reserves the right to revoke any and all attendee and/or staff badges at any time for noncompliance with convention regulations, and in severe cases, escorting of the offending party off the property.

# Minors/Children Rules

Lost children will be directed to Registration until picked up by their parent or legal guardian.

- We do not offer childcare services. Anyone aged 13 or under must always be accompanied by a parent or legal guardian. Please do not leave children unattended, even in children programming areas.

## Cosplay Policies

Ponyville Ciderfest welcomes all cosplayers! It's always fun to dress up and show off a cool costume. Just make sure to follow these cosplay guidelines. If you are concerned that you may be in violation of one of the following policies, please visit Operations to have your costume checked. All costumes must conform to the policies below.

- Please keep your costume from extending more than six inches (6") from your body in any direction. There can be exceptions if the item collapsible or retractable (i.e. a tail).
- Realistic looking replica firearms are also not allowed, including those marked with an orange tip.
- All costumes must comply with local laws. Cosplay items that are deemed as vulgar are not permitted.

# Event Policies

There are a lot of cool and exciting events to enjoy and sights to see at Ponyville Ciderfest . As always, it's important to have fun and be safe while at these events, whether it's a panel, a dance, or otherwise. Please keep these rules in mind:

- Please be courteous of other attendees at events.
- No pushing, shoving, or being aggressive.
- No moshing or violent behavior at the dance.
- Please be respectful and courteous at panels. Engaging with the panelists is definitely encouraged, but make sure that the panelists are able to talk.
- Do not cut in line or save spots for events.
- Please do not fight in any of the event areas. This includes, but is not limited to, fighting with weapons, such as foam fighting or boffer, empty handed combat such as martial arts, stage fighting, or general play fighting.

## Gender-Neutral Restrooms

Ponyville Ciderfest is determined to do everything in our power to provide a comfortable, inviting, and safe environment for every single one of our guests. To this end, we are proud to follow BronyCon's lead in offering a Gender-Neutral Restroom option to our guests. Gender-Neutral Restrooms are restrooms that can be used by anyone, regardless of gender, sex, or gender presentation.

**The North restroom on the 2nd floor has been designated as a gender-neutral restroom.**

Gender-Neutral Restrooms will help fans who are transgender, genderqueer, or who otherwise don't feel they fit into the categories of "men" and "women" feel less anxious when using the restroom. Many people use conventions as an opportunity to dress as the gender they identify with, and having Gender-Neutral Restrooms allows these attendees to feel just as safe and welcome at Ponyville Ciderfest as everyone else.

We also have a lot of families at Ponyville Ciderfest, and parents might want to accompany their children into the restroom for safety reasons. It can be stressful for a parent to wait outside a restroom while their child is using it alone, and Gender-Neutral Restrooms allow them to ensure their child's safety, regardless of whether their gender aligns with their child's.

Weird. He has broad interests, from astronomy to photography, architecture to environment. He plays a little piano, a bit of guitar, some ukulele, and a passel of drums. One day he wants to cut a record. He enjoys cooking, but more than that, eating. Yummy.

# Ali "Willa" Milner

@willamilner

## Voice Actor (Princess Ember)

Working as a professional musician and original artist since she was 15 years old,

Ali "Willa" Milner is no stranger to performance. When she decided to add "actor" to her skill set in 2013, bookings followed shortly thereafter. A short time after attaining an agent, she landed the coveted role of Liz in MGM's If I Stay. Working alongside A-list Hollywood actors did nothing but boost her confidence and the LA premiere at the TCL Chinese Theatre was the cherry on top.

This young woman shows no signs of stopping and has added voice acting to her skill set with the introduction of Princess Ember on the wildly popular show My Little Pony: Friendship Is Magic. Following the release of her new musical project Willa, she made the move to unify her acting and musician brands under the same name.

Fans can expect an exciting year to come with the premiere of Family Channel's Lost and Found Music Studios, Hallmark's When Calls The Heart, and more.

# Katrina Hadley

@isitlunchyet\_1

## Assistant Director (Equestria Girls: Legend of Everfree)

Katrina Hadley has been working in the animation industry in Vancouver since 2005, primarily as a storyboard artist. In the past she's worked on at least 14 different shows like: Edgar and Ellen, League of Super Evil and the Monster High DVD movies.

She first joined the MLP team as a board artist for Equestria Girls: Rainbow Rocks, and was lucky enough to be asked to draw the illustrations for the end title credits. She's also done storyboard work for MLP season 5, most notably the premier and 100th episodes. After storyboard supervising EG: Friendship Games she sassed her way into being Assistant Director for Equestria Girls: Legend of Everfree.

Katrina feels incredibly lucky to work on EG since it feels like a combination of her 2 greatest loves growing up: My Little Pony and Sailor Moon!

# Jenn Blake

@JennBlake616

## Comic Artist

Born and raised in California, Jenn Blake studied to become a successful fashion designer, but wished to extend her knowledge of art and take it in a new direction. Jenn started work on comic/graphic novel characters and decided to combine that genre of work with a new love of hers; "My Little Pony: Friendship is Magic". Shortly after she began her work with ponies, Jenn was approached by IDW Limited. The company's special release of "The Return of Queen Chrysalis" was in the works and Jenn was one of only several artists chosen to create original, hand drawn sketch cards to be released with the books.

This special project rocketed Jenn's career in the world of art and ponies forward including "My Little Pony: Friends Forever #16" and a special subscription cover for Four Color Grails on My Little Pony Friendship is Magic #30. Jenn will also be a contributing artist to Jeremy Whitley's Princeless Anthology and co creator with Jeremy Whitley on an upcoming new comic series Dressed to Kill, which will be a mature readers comic that has been described as a female led Die Hard. When not working on comics she is being contracted (against her will) to stop villains as a member of Task Force X aka Suicide Squad.

# Lexi Heule

@HeuleLexi

## Voice Actor (Angel Wings)

Alexis "Lexi" Heule starred as Angel Wings, an original character Lexi designed, in the My Little Pony: Friendship is Magic Season 6 episode "Top Bolt".

This amazing opportunity was made possible by the Wisconsin and Canada chapters of Make a Wish, along with Hasbro and DHX Studios. Lexi has congenital heart disease and a connective tissue disorder, and has endured multiple open-heart surgeries. Despite this, Lexi has persevered against all odds.

Lexi is an aspiring voice actor, percussion musician, and writer of sci-fi and fantasy short stories and books. Lexi is currently a high school student, and lives in Wisconsin, USA with mom, dad, brother, sister, and 2 dogs (Brownie and Howie). Post high-school, Lexi wants to pursue voice acting as a career.
