# A Message from the Convention Chair

Welcome to the fourth year of Ponyville Ciderfest!

It is an incredible pleasure and honor to welcome all our new and returning attendees and guests. With each new year we become more and more impressed with the dedication and trust that gets placed in us, and after looking at the event we've put together for you, we are sure that we will repay that trust in full and then some.

We have an incredible Guest of Honor roster this year, featuring many that haven't been to Ciderfest before. We also have an equally impressive lineup of Community Guests, Musicians, and panels covering all corners of the fandom and several corners of the globe as well!

Plus, while "Ponyville Oktoberfest" may only be a theme and a nickname, you'll still find plenty of fun activities and Oktoberfest traditions throughout the weekend. And don't think that we forgot about the cider - our FREE cider lounge returns as does Trotter's Cider Bar in The Vue on Friday and Saturday nights. Those that were lucky enough to get a ticket for our cider tasting with Cider House of Wisconsin before they sold out in less than 24 hours have that to look forward to as well!

Please enjoy as much of what we have to offer this weekend as you can. Thank you for coming out, thanks to our guests, musicians and panelists for providing so much great content, to my staff for working so hard on getting it to all come together, and most of all thanks to everyone that purchased a Sponsor Badge of any kind. We really can't express how much your support means to us.

Once again - WELCOME, and PROST!

- Charlie Worthley  
Ponyville Ciderfest 2017 Convention Chair

You can view the full text of the policy and how to report violations on our website.

- No sleeping in public areas.
- No smoking of any kind in the hotel.
- Drinking is prohibited in the meeting space areas unless otherwise noted.
- No use of any illegal substance is permitted. This will result in police intervention.
- Do not damage or steal any convention or hotel property. You will be held financially responsible.
- Do not drop things from the balconies.
- Solicitation of any goods or services is not allowed unless you are a registered vendor.
- Pets are not allowed in the convention area, with the exception of properly identified service animals. If you have special needs and need a service animal, please consult with staff.
- All attendees are to wear their attendance badge visibly at all times.
- Ponyville Ciderfest staff members reserve the right to ask any and all attendees for picture ID verification. Failure to provide ID verification will result in revocation of the attendee's badge.
- Ponyville Ciderfest reserves the right to revoke any and all attendee and/or staff badges at any time for noncompliance with convention regulations, and in severe cases, escorting of the offending party off the property.

## **Minors/Children Rules**

Lost children will be directed to Registration until picked up by their parent or legal guardian.

- We do not offer childcare services. Anyone aged 13 or under must always be accompanied by a parent or legal guardian. Please do not leave children unattended, even in children programming areas.
- Curfew laws still apply to persons under the age of 17, unless escorted by a parent or legal guardian or they are a registered guest of the Hyatt Regency Milwaukee. Curfew in the city of Milwaukee is 11:00 PM on Friday and Saturday, and 10:00 PM on Sunday – Thursday.
- Parents or legal guardians will be held responsible for any damages done to the hotel or convention property by their children.

## **Cosplay Policies**

Ponyville Ciderfest welcomes all cosplayers! It's always fun to dress up and show off a cool costume. Just make sure to follow these cosplay guidelines. If you are concerned that you may be in violation of one of the following policies, please visit Operations to have your costume checked. All costumes must conform to the policies below.

- Please keep your costume from extending more than six inches (6") from your body in any direction. There can be exceptions if the item is collapsible or retractable (i.e. a tail)
- Realistic-looking replica firearms are also not allowed, including those marked with an orange tip
- All costumes must comply with local laws. Cosplay items that are deemed as vulgar are not permitted
- No projectiles should be used on hotel property

## Event Policies

There are a lot of cool and exciting events to enjoy and sights to see at Ponyville Ciderfest . As always, it's important to have fun and be safe while at these events, whether it's a panel, a dance, or otherwise. Please keep these rules in mind:

- Please be courteous of other attendees at events
- No pushing, shoving, or being aggressive
- No moshing or violent behavior at the dance
- Please be respectful and courteous at panels. Engaging with the panelists is definitely encouraged, but make sure that the panelists are able to talk.
- Do not cut in line or save spots for events
- Please do not fight in any of the event areas. This includes, but is not limited to, fighting with weapons, such as foam fighting or boffer, empty handed combat such as martial arts, stage fighting, or general play fighting.

## Gender-Neutral Restrooms

Ponyville Ciderfest is determined to do everything in our power to provide a comfortable, inviting, and safe environment for every single one of our guests. To this end, we are proud to follow BronyCon's lead in offering a Gender-Neutral Restroom option to our guests. Gender-Neutral Restrooms are restrooms that can be used by anyone, regardless of gender, sex, or gender presentation.

### **The North restroom on the 2nd floor has been designated as a gender-neutral restroom.**

Gender-Neutral Restrooms will help fans who are transgender, genderqueer, or who otherwise don't feel they fit into the categories of "men" and "women" feel less anxious when using the restroom. Many people use conventions as an opportunity to dress as the gender they identify with, and having Gender-Neutral Restrooms allows these attendees to feel just as safe and welcome at Ponyville Ciderfest as everyone else.

We also have a lot of families at Ponyville Ciderfest, and parents might want to accompany their children into the restroom for safety reasons. It can be stressful for a parent to wait outside a restroom while their child is using it alone, and Gender-Neutral Restrooms allow them to ensure their child's safety, regardless of whether their gender aligns with their child's.

# Guests of Honor

**Tabitha St. Germain**  
**@StTabitha**

**Voice Actor**  
**(Rarity, Princess Luna, Granny Smith, others)**

As so many of us do, Tabitha St. Germain began life as a happy jelly lump. She might not have been quite so happy if she had had eyes and could see that she was puce in hue—an unlovely colour, but she had no eyes. (See above re: jelly.)  
So: happy.

Far off, in the seams of a dimension like our own in no article, a being named Snoodlewod Jam Jam Thwiket, took note of Tabby's dab of DNA coalescing on the earth. Though only a jelly, and an unsettling colour, it was clear that the thing was FULL OF NOISE. 'I'm going in,' said Snoodlewod Jam Jam Thwiket. For Snod was a musician, and he recognized that a rare instrument was forming, a golden windbag:  
Tabitha.

If you think that origin story was daft, here's some of Snoodlewod Jam Jam Thwiket's oeuvre: Super Mario Bros, Legend of Zelda, C.O.P.S., Beetlejuice, DragonBall Z, Gundam Seed, Care-bears, Deathnote, Martha Speaks, Jimmy-Two Shoes, a buncha Barbie movies, League of Super Evil, Nerds and Monsters, Littlest Pet Shop, Packages From Planet X, Sabrina: Secrets of a Teenage Witch, Pac-man, Lollirocks, Pirate Express, Dino-trux, Endangered Species, Kong, Nina's World, Supernooks and other stuff. In MLP: Rarity, Luna, Nightmare Moon, Granny Smith, Mrs. Cake, Photo Finish, Rarity's Mom, Muffins, Suri Polomare, Pound Cake, Spa Pony, Flurryheart and others.

**Nicole Oliver**

Her credits in film and television include leads in various MOWs, television shows, and feature films in Canada and the US.

As a Director, Producer, and Host, Nicole worked on the hit series CRASH TEST MOMMY. Other Directing/Producing credits include THE CENTRE (pilot - Producer/Director), 12 episodes of the animated series MIRA AND MARIE (Director), and the feature film NOROC (Co-Producer).

## Voice Actor (Princess Cadance)

Hailing from Vancouver, BC and riding the wave of a surging west coast film industry, Britt's extensive resume reflects her deep level of talent and commitment to entertainment culture. In addition to appearing in a number of films and playing offbeat character Reggie in the critically acclaimed series 'Dead Like Me', Britt has voiced dozens of animation series including 'Sabrina the Teenage Witch' as Sabrina, Disney's 'Baby Loony Toons' as Baby Lola, 'Batz' as Chloe, the wildly popular 'My Little Pony' as Princess Cadance, and most recently in the upcoming Netflix series 'Super Monsters' as Esmie. Britt is also currently appearing across multi-episodes of the new CW television series 'Frequency'.

Between juggling a flourishing career as a recording artist, and passionate immersion in an industry that recognizes her as a highly successful voice, film and television actor, entertainment multi-tasking continues to be a way life for this talented young performer.

Mr. Haber provided similar services to the multi-million dollar video game franchise, Skylanders, for the Activision Blizzard Studios' animated series Skylanders Academy, shepherding that show through its first season on Netflix, before returning to My Little Pony as a writer-producer. ## Pop Culture Allusions in MLP 12:30 PM - 1:30 PM

Hosted by ACE - Caramel Room

There's got to be hundreds of pop culture references in MLP and this panel is dedicated the best ones. During the panel I will present my top 10 favorite MLP allusions to pop culture and explain the origins of them. To be clear, the allusions I'll cover will only be from FIM and the recent Movie. Then I will call up any willing audience members to share their personal favorites that I may have not covered. Now the allusions mentioned by audience members can come from anything pony related: the Show, Movie, Equestria Girls, or even the comics. So if you love allusions then please stop on by the panel and maybe you'll find some you never even knew about!

You can ask any staff member to find out the room number for you.

## **Ponyville Ciderfest is proud and honored to partner with Generations Against Bullying for 2017!**

Generations Against Bullying (GAB) is a Milwaukee based 501(c)(3) Charitable Organization with an important goal. Their mission statement says it best:

*“To educate our children and communities concerning the importance of the love, acceptance and cooperation needed to reduce the bullying epidemic. Using our unique, hands-on, proactive approach, in combination with our creative core programs and strategic partnerships, we will provide communities with the tools and resources necessary to promote a culture of upstanders to reduce the bullying epidemic.”*

Through community services, peer ambassador programs for students and schools, movie nights, celebrity speakers, school assemblies, and other special programs like their Upstander initiative and Buddy Bear, their peer “ambassador”, GAB utilizes a wide range of initiatives to “shift the culture of bullying into a culture of love, acceptance and encouragement”. We can think of no more appropriate partner to have as our charity.

We will be supporting them through our Charity Auction, our Apple Pie Bakeoff, and other efforts. In return GAB will be on site to educate and answer questions about what they do. They will also be helping to organize an anti-bullying panel with local experts.

We hope our attendees and guests are as excited about this partnership as we are! Here’s to a successful con, and a successful partnership.
